ST PAULS COLLEGE, Bengaluru is one of the educational undertakings of the Society of St Paul, an international Catholic institution founded by Blessed James Alberione in Alba, Italy on 20 August 1914, and is currently present in 32 countries across the globe. It is affiliated to Bangalore University and is recognized by the government of Karnataka. The college is located at Nagasandra near Peenya Industrial Area, Bengaluru and is easily accessible by road and Namma Metro services.

The campus is spread across thirteen acres of land and nestled amongst lush green trees and colourful flower plants. It provides a conducive atmosphere for holistic growth of the students. We believe that every student is unique and gifted with the capacity to learn and realize his/her full potentials. Personal accompaniment is given to each student especially for those students who find learning a challenge.

ST PAULS COLLEGE is equipped with the latest facilities and modern infrastructure. It includes a state-of-the-art Television Studio, Professional Sound Recording Studio, Library, Computer Lab, Auditorium, Canteen, Basketball, Volleyball, Cricket and Throwball courts and more. Students will be challenged and engaged through authentic learning opportunities that inspire them to develop creativity and self-confidence.

Our students are also given opportunity to publish their literary works in our own International Publishing House—The Better Yourself Books—and the national youth magazines The Teenager Today and Inspirational Quote.

About
ST PAULS COLLEGE

About Department of Post Graduated Studies

The Post Graduate Department of Journalism and Mass Communications at ST PAULS COLLEGE has become one of the best in the city and the country within a short period. The department offers professional training in media production and other related fields.

The two-year course will cover relevant critical theories and develop in-depth professional skills in the fields of written news, feature journalism, audio, video, social media and public relations and equip the students with skills for multi-platform journalism, digital media production, media regulation, public policy, public relations and corporate communications. This course qualifies our students to become Professionals for a Better Tomorrow.

The department offers hands-on experience on Radio and Television production with our in-house state-of-the-art professional studio, and ST PAULS TV that regularly telecasts various activities in and around the college and the city. Fine-tuning their journalistic talents, students get trained in reporting and editing along with layout designing in Print Media. The department publishes a fortnightly News Letter PAULA PATHRIKA, a daily News Letter DAILY CHRONICLE and a quarterly magazine COSMOS. The YouTube channel, DHRISTI provides a unique opportunity for students to produce documentaries on the life of people around the city. MUG SHOT, an annual photography competition and BONSAI FILM FESTIVAL, an annual short film festival are other initiatives of the department providing various opportunities for exposure and display of talents and creativity.

Regular industry internships, major media projects and researches are given thrust in the department besides the industrial visits and educational tours.

ST PAULS COLLEGE guarantees placement to all the students who fulfill the requirements of the program. It also offers scholarships to meritorious and differently-abled students.

ST PAULS STUDIO

ST PAULS COLLEGE has a state-of-the-art studio for audio and video recording and production. Studying and working in a professional recording studio is an experience that the students will cherish for years. The studio with the latest equipment has a spacious console room separated from the large live space. Various gears in St Pauls Studio include Adobe Creative Cloud, Audio Technica, Elinchrom, PreSonus, Apple, Lewitt, Sennheiser, Avid Pro Tools, Sony, Antelope Discrete 8, etc
